First line of address	Second line of address	Town	Postcode
[REDACTED]	[REDACTED]	[REDACTED]	[REDACTED]

Does the plan meet the basic conditions?: Yes

Comment: Most of the plan seems well thought out. However, I consider that building extra houses on Tower Hill will cause overlooking to the houses opposite this site, and even more traffic problems on this narrow single track lane. Traffic, even cars, has missed my pedestrian husband by inches several times in the past few weeks. In places there are no private drives or gardens in which to take refuge.

Please tick this box if you would like to be notified of the decision following examination and referendum of the Neighbourhood Plan: Yes
