Part B – Representations

Please answer as many questions or as few questions as you wish. There is a box at the end of the form where you can provide any comments that you may have.

Housing

1. Do you consider that a housing need figure of 366 dwellings a year is an appropriate figure on which to plan for housing growth in North Dorset? If not, please set out what you consider to be an appropriate figure and provide reasons for this.

Yes

No

If you have answered 'No' please set out an alternative housing figure and provide reasoning to support your answer.

As layman cannot give figures but in Shaftesbury land with planning consent & acquired by builders not yet built on & not apparently taken into account. Also no brownfield sites considered.

Employment

2. Do you consider that additional employment land should be allocated for development at Blandford as part of the Local Plan Review?

Yes

No

3. Do you consider that there is a need to allocate additional employment land in any other part(s) of the District?

Yes

No

Spatial Strategy

4. Do you consider that the existing spatial strategy, as set out in LPP1, should be amended to allow for some limited growth at Stalbridge, beyond just meeting local needs?

Yes

No

5. Do you think that the Council should consider implementing any other alternative spatial strategy through the LPR? If so, please explain your reasons why.

Yes

No

If you have answered 'Yes' please set out what you see as the further issues.

11. What are the additional infrastructure requirements that are likely to result from potential future development at Gillingham?

Please set out what you see as the additional infrastructure requirements.

Shaftesbury

12. Do you agree with the conclusions regarding the areas of search identified at Shaftesbury?

Yes

No

13. Are there any further issues relating to the areas of search that you think should have been considered as part of the assessment process?

Yes

No

If you have answered 'Yes' please set out what you see as the further issues.

Shaftesbury is a unique hilltop town with unparalleled views of countryside merging into town & beyond. This will be threatened by any development going beyond the existing town boundaries and impact upon the economy, tourism and well-being of residents in Shaftesbury.
Should be a green belt which prevents Gillingham, Motcombe or Shaftesbury becoming one large conurbation.

14. What are the additional infrastructure requirements that are likely to result from potential future development at Shaftesbury?

Please set out what you see as the additional infrastructure requirements.

Water supplies, sewage, education at all levels, health provision & social services, employment, amenities and green space for all, already threatened by existing new developments.
legally binding impact assessments must be in place for all above

Important Open or Wooded Areas (IOWAs)

28. Do you agree that those IOWAs, which are protected from development by other planning policies or legislation, should be deleted?

Yes

No

The A350 Corridor

29. Do you consider that the land which is identified and safeguarded for the Shaftesbury Outer Bypass and the Charlton Marshall and Spetisbury Bypass should continue to be identified and safeguarded for such purposes?

Yes

No

Comments

If you have any comments about the Issues and Options Document or the Sustainability Appraisal please set them out in the box below. If your comments are in relation to a specific question or chapter of the Issues and Options Document then please state which question or chapter your comments relate to.

Health and well-being (eg walkers, dog walkers, cyclists, the needs of children and teenagers) have been ignored.

Wildlife, particularly wildlife corridors, and Shaftesbury's natural richness ~~has~~ been ignored.

Some land already acquired for development has not been developed and this has been ignored.

Some developments which have taken place have not provided the promised amenities or infrastructure and this has been ignored.

This form is difficult to access, understand and complete so we feel consultation is not welcome.

[Large empty rectangular box for content]

Continue on a separate sheet if necessary

Do you wish to be contacted about future consultations relating to the Local Plan Review?

Yes

No
