4. Please use the box below to give reasons for your support or objection, or to make your observation.

As far as I am aware, the requirements for an area to be classified as a Local Green Space include the use of the area for recreational purposes.

The land managed by the Catmead Management Company Limited is private, maintained entirely at the expense of the residents of Catmead, and not available for use by other than Catmead residents apart from the public right of way footpaths crossing the green space between the Catmead housing and the Backwater road. It is not, therefore, available for use by the public for recreational purposes and should not be included in the Neighbourhood Plan.

.

Continue on a separate sheet if necessary

5. Please give details of any suggested modifications in the box below.

Omit this area of land from LGS4
