**4. Please use the box below to give reasons for your support or objection, or to make your observation.**

*The Neighbourhood Plan has an aspiration for new footpaths/bridleways.*

*As one of the landowners who will be affected by one of the proposed routes (namely the route linking the Backwater with Athelhampton Rd), it is a shame that at no stage has the Neighbourhood Plan Group had the courtesy to approach or discuss with us this planned route and we have confirmed, on seeing the draft prior to submission to DCC, that we would not allow this proposal across our land.*

*Furthermore in January '20 we requested that this be removed from further iterations of the plan.*

*We are disappointed to see that our wishes have not been undertaken. This potentially casts doubt on other content in the plan - if affected landowners have not been fully consulted over aspirations and if these wishes are just pipedreams they seem pointless to include in any future plans.*

*Continue on a separate sheet if necessary*

**5. Please give details of any suggested modifications in the box below.**

*Where landowners wishes have clearly confirmed that indicative proposals are not possible they should be deleted to ensure the plan has validity and purpose.*

*Continue on a separate sheet if necessary*
