Dear planning policy team

Thank you for providing Highways England with the opportunity to comment on the submission version of the neighbourhood plan for Sturminster Newton. Highways England is responsible for operating, improving and maintaining the strategic road network, which in this case includes the A303, A31 and A35 which are located some distance to the north and south of the plan area.

Having reviewed the submitted document, we are satisfied that the plan's proposed policies are unlikely to impact on our network and we therefore have no comments to make.

Kind regards
Gaynor
