

24th August 2015

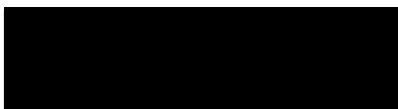

Dear Mr James,

I am writing to tell you that I oppose the proposed extension to the proposed development.

There will be too many people in the area, too much traffic, awful to get across the ring road. I wont be able to get a Drs appointment, dentist appointment and parking and traffic will be dreadful.

I am opposed to the development as a whole and to the proposed extension in particular.

Yours sincerely

Chris Lindsell
