Matter 1/3 for 663076's Statement on Matter 1

Settlement Hierarchy (KS1) - Burton

Redesignation from Village to Rural Services Centre as proposed by the Meyrick Estate is not justified -

In 2012 a Petition against the CN2 development, loss of the farm and village status was signed by over 1,600 residents out of 3,443 on the Electoral Roll. (The Petition was curtailed only because of time constraints). Their views should not be ignored.

Burton does not and should not have the services to justify a designation change, especially not to suit the Meyrick Estate and its commercial plans. It was the Meyrick Estate who, for commercial enterprise, took back the village Hall which in part was fund-raised for by the villagers.

Modification - Do not include redesignation of the village in the CS.
