Subject: Weymouth & Portland CIL Regulation 123 List Consultation

Dear Sir/Madam,

On the 18th July 2016, Weymouth & Portland Borough Council implemented the Community Infrastructure Levy (CIL). In time, the levy will help deliver additional funding to carry out a wide range of infrastructure projects that support growth and benefit the local community.

The Regulation 123 List accompanies the CIL charging schedule. It sets out the types of infrastructure the council will seek to use CIL contributions towards and the council's priorities for spending the levy and is required by Regulation 123 of the Community Infrastructure Levy Regulations 2010 (as amended).

The Regulation 123 List is in the process of being updated and we would welcome your comments on the proposed list which can be found at <https://www.dorsetforyou.gov.uk/spendingthecommunityinfrastructurelevy/west/weymouth>

The council will not revisit planning applications where resolutions to grant have already been made by committee or under delegated authority but are awaiting a S106. In the event that an application needs to be reconsidered by a committee due to a substantive change in circumstances and expressly excluding a minor change in wording of conditions, it will be reconsidered under the r123 terms in force at that time.

The consultation will be open from **Wednesday 14th February to Wednesday 14th March 2018**. We would prefer if comments can be submitted by email to CIL@dorset.gov.uk
