Wyatt Homes support the identification of land north of Manor Farm Close as a housing site allocation as set out in our comments on Policy HSA2. We note that the first paragraph on page 23 of the Submission draft plan indicates that the site allocations should be developed at different times across the plan period. We would like to highlight that the land north of Manor Farm Close is available now and Wyatt Homes are keen to deliver this site at an early stage in the plan period, this would also help address the wider shortfall in housing land supply across the District.
