Good morning Susan,
We are writing to you with regard to Chickerell's Neighbourhood Plan. The town is increasing rapidly in size and the local amenities for the children to be able to play and socialise is not currently sufficient. Please find the link below for the current petition which shows the interest of many residents of Chickerell for a much needed skatepark to be constructed in the town. (Petition end date currently stands at 30/09/2020 and the final tally will be forwarded to the relevant decision makers.)

We all look forward to hearing your response to this matter and how it can be strategically added into the Neighbourhood plan to allow the children and families of Chickerell a dedicated space for outdoor social interaction.

Yours hopefully,
Darren and Claire Taylor

Good evening Susan after speaking to Liz Eaton before she retired she asked me to forward the petition details for Chickerell skate park, please find attached the final tally of signatures for the petition to get a skatepark constructed in Chickerell. I've since been contacted by Chickerell Town Council about a future plan for a project involving the construction of a Skatepark which is great news, but as promised I thought I would forward the final tally and relevant comments from the parents of Chickerell and surrounding areas as I'm sure they are of great interest to you.

Many thanks,

Claire and Darren Taylor.
