

Matters and Issues 2
----------------------

Green Belt (KS2)
------------------

1. Is the proposal to make limited changes to the GB justified?
2. Have the GB boundaries been assessed to consider their capability to endure beyond the plan period, as advised in NPPF para 83?
3. Does the CS set out a precise timescale and clear process for the GB boundary changes?
4. Are the GB boundaries for every development proposal clearly defined on proposals maps?
