

Information Statement

This information statement is about the referendum to be held on the Broadwindsor Neighbourhood Plan

About town and country planning

In England, planning applications are determined by local planning authorities such as Dorset Council. Planning decisions are made in accordance with the adopted development plan, unless material considerations indicate otherwise. A development plan sets out the planning policies for the development and use of land.

The [adopted Local Plan for West Dorset](#) is therefore the starting point for considering planning applications at the current time. The [national planning policy framework](#) must be taken into account in the preparation of local and neighbourhood plans, and is a material consideration in planning decisions.

Our [Local Development Scheme](#) contains information on development plan documents that are being prepared.

About neighbourhood planning and the Broadwindsor Neighbourhood Plan

Neighbourhood planning aims to help local communities play a direct role in planning the areas in which they live and work. In parished areas such as Broadwindsor, the Parish Council is responsible for preparing a neighbourhood plan. The plan can show how the community wants land to be used and developed in its area. If a plan is made following a successful referendum, it becomes part of the development plan for that area.

Broadwindsor Group Parish Council started preparing their plan neighbourhood plan in 2015. After much research, and having listened to the various issues and suggestions made through various consultation events, a draft plan was produced for consultation in February 2018. The plan was then revised in response to the consultation and submitted to West Dorset District Council in November 2018.

On 1 April 2019 the county's nine councils were replaced by two new organisations, Dorset Council and Bournemouth, Christchurch and Poole Council. Consequently West Dorset District Council as been replaced by Dorset Council as the Local Planning Authority for the Broadwindsor Neighbourhood area.

Mr Brian Dodd was appointed as an Independent Examiner for the Broadwindsor Neighbourhood Plan, and in April 2019 he produced his [report](#) confirming that he was satisfied that the plan meets the basic conditions and recommended that it should, subject to some changes, proceed to referendum.

Dorset Council considered the [report](#) at Cabinet 25 June 2019 and issued its [decision](#) which was in agreement with the examiner's findings, and that the [plan as modified](#) should proceed to referendum.
