Subject: Shillingstone Neighbourhood Plan - Regulation 16 consultation - Highways England comments

Dear Planning team

Thank you for your email of 19 May providing Highways England with the opportunity to comment on the submission version of the neighbourhood plan for Shillingstone Parish. Highways England is responsible for operating, improving and maintaining the strategic road network, which in this case includes the A303, A31 and A35 which are located some distance to the north and south of the plan area. We are satisfied that the plan's proposed policies are unlikely to impact on our network and we therefore have no comments to make.

Regards

Gaynor
