a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

Keeping our bar a very family friendly bar and to deter heavy drinking but to promote socialable drinking and to keep it to a limit.

b) The prevention of crime and disorder

We have security cameras installed and will report and crime or disorder to the appropriate authorities and share our security camera recordings.

c) Public safety

Making sure the area we operate in is safe for our customers, fire safety is of a high standard, and to communicate with our customers on any risks.

d) The prevention of public nuisance

Posters and signage within the building asking our customers to leave quietly. We are also a long way away from any residential areas.

e) The protection of children from harm

Again, security cameras will be in place. We already run kitesurfing childrens clubs and have DBS checks in place.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
